Safety, Comfort and Convenience.

Hawker 800XP

Our Hawker 800XP delivers exceptional performance with API winglets, combining mid-size cabin comfort with the flexibility of coast-to-coast range.

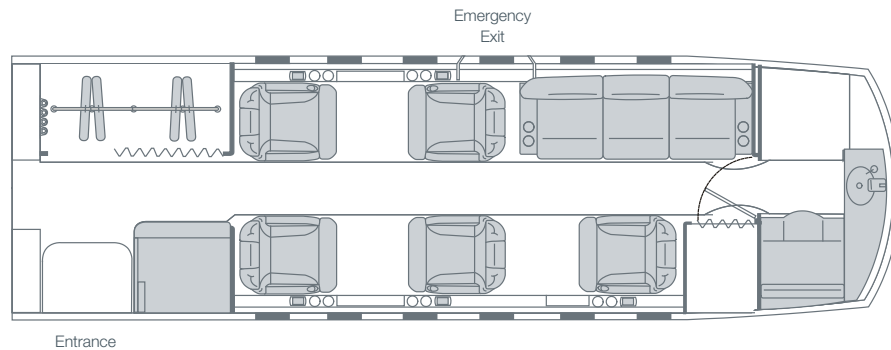

The spacious cabin offers room to accommodate eight passengers with the freedom to stand up and walk around during longer flights. The forward section features a refreshment center with microwave, while the aft area contains an enclosed lavatory with vanity, (which can double as a dressing room or accommodate a ninth passenger).
